[Computer programs for calculation of median effective dose \(LD 50 or ED 50\) using the ...](#)

MM Schaper, RD Thompson, CS Weil - Archives of toxicology, 1994 - Springer

Abstract. Over the past 40 years, toxicologists and pharmacologists have used tables published by Weil for the determination of LD₅₀ (or ED₅₀) values and their associated 95% confidence intervals. With the advances in computer ...
